Dear Mrs. West:

Thank you for your letter of March 26th.

In the first place, I want to thank you for the excellent advice you gave me when I was in Panama City. I agree with you one hundred percent, and also passed the word down the line to Braden Ball.

I think you and I see eye to eye on the civic development end necessary in the publishing of a newspaper. If at any time you have any specific plan in mind, I would appreciate your dropping it to me confidentially, or otherwise, as you desire.

I note you offer me the Gulf front for a city park at \$25,000. I think your price is entirely too high. You must be rolling in wealth over there to put this price on that property.

With kind regards, I am,

Sincerely yours,

*John H. Perry*
